

New Products

We have been very busy trialling and overseeing our **NEW PRODUCTS** and over the next couple of months we will be introducing them all to you! We know a lot of people feed a "wet" food with their WEBSTERS kibble, so we are very excited to introduce our new range of WEBSTERS MEAT TRAYS in either Lamb, rice and vegetables, Chicken, rice and vegetables or grain free options in Ocean Fish, Sweet potato and vegetables or Chicken, Sweet potato and vegetables. At the present time these are **ONLY AVAILABLE** to our local customers that have free delivery while we are sourcing packaging to be able to send them by post. Please go to our website, www.websterdogfood.co.uk to order.

Website Orders

While talking about the website, as a growing business we now have to be as efficient as possible to give our best service to **YOU!** So we are now asking that, if at all possible, would you put **ALL ORDERS** through the website to make our deliveries as streamlined as possible, many thanks.

Order Now from the Webster's Natural Dog Food Website

Due to an increase in costs on many fronts we now reluctantly have to raise our prices to cover them. As from the 14th June 15kg and 12kg bags will all rise by £2.

Events

We have had two very successful events this year, both close to Stamford, it is great to see our existing customers and gain new ones! Our next outing will be to the National Motorhome & Campervan Show being held at the East of England Showground on the 11th, 12th and 13th of June where we will have our usual show offers.

As always please get in touch if you need any further information - we are here to help.
